LED PORTAFARO

ATTENZIONE: controllare che il porta targa non vada a con tatto con la ruota quando l'ammortizzatore arriva a fine corsa. ATTENTION: controll that the license plate holder dont't touch the wheel when the shock absorber arrive at limit.

WARNING! Of road motorcycle lights regulary fail through vibration. Always check your lights before riding at night.

Be sure you follow the installation instructions exactly. If the headlamps fall off, it can jam the front wheel. Do not secure cables with number plate mounting straps. Use the guides provided. Before riding, check that all cables, hoses, and controls function properly. The rubber mounting straps are subject to deterioration from atmospheric pollutants. Always inspect them before riding. Never ride unless all four are properly installed and in good condition.

If you have any questions regarding the fit or installation of this product please contact your local Acerbis dealer
